

We are very excited to announce the arrival of our newly redesigned calendar for 2008-2009 (1387 A.H.S.). This year's calendar is greatly improved from past years, with new information, unique pictures and an interactive CD the entire family will enjoy.

The calendar comes in a beautiful gift box and weighs significantly more than last year's calendar. To help defray shipping costs, we are requesting a contribution of at least \$12 per calendar in the United States and at least \$17 for international orders.

We urge you to order your calendar as soon as possible because demand is high and we only have a limited number of calendars. Please use our online ordering system or fill-out order form and mail it to us with your check or money order payable to Alavi Foundation. Your contribution will be used solely for the publication of future calendars.

Please send your check or money order with the completed form below to:
